ERRATA ORDER REGARDING SERVICE OF COMMENTS

(Issued March 29, 2000)

On March 3, 2000, the Utilities Board issued an "Order Terminating Small Volume Gas Dockets and Discussing Tariff Filing Requirements." The order at pages 4 and 5 set forth a procedure for filing comments. However, the order inadvertently omitted the requirement that when a participant makes a filing, the participant shall send an electronic copy to each participant on the service list. If any participant making a filing is unable to provide an electronic copy, that participant shall send a facsimile or mail a hard copy to each of the other participants. This is identical to the process that was previously used in Docket No. NOI-98-3, as set forth in the May 7, 1999, "Order Scheduling Filing."

IT IS THEREFORE ORDERED:

All participants filing comments shall comply with the procedures set forth on pages 4-5 of the March 3, 2000, "Order Terminating Small Volume Gas Dockets and

Discussing Tariff Filing Requirements," and the additional procedures set forth in this order.
